Caring Hands Offering 2024

The *Caring Hands* Offering provides financial assistance to residents of the six communities operated by Presbyterian Homes of Georgia across our state. Founded in 1949 by Presbyterians in south Georgia, Presbyterian Homes has upheld a commitment that no resident would ever have to leave because of financial difficulty. Your *Caring Hands* gift helps make sure that never happens.

Caring Hands gifts also help alleviate food insecurity, provide transportation for medical appointments, support prescription and medical supply purchases, and support the chaplaincy program.

Presbyterian Homes is a Christian ministry providing exceptional services to enhance the quality of life for senior adults. The compassionate care the staff provides for residents is deeply rooted in our Presbyterian tradition and our call to care for others as Christ cares for us. Please consider making a gift to the *Caring Hands* Offering.
