

2020 Annual Report Church Donor Lists

From its first days, our ministry has been rooted in church support. We cherish our covenant relationship with the five presbyteries in Georgia and at the same time, we are proud that the ecumenical nature of our ministry is recognized by faithful support from other churches as well. The total contribution listed for each congregation in 2020 includes gifts to the Caring Hands Offering, Angel Offering and General Caring Hands Fund as well as funds raised from the 14th Annual Caring Hands Classic fundraising campaign. Totals also include gifts from Church groups such as Sunday School Classes and Presbyterian Women.
